PROFESSIONAL EXPERIENCE

Associate Designer

Affinity Express **2020 – Present**

- Website creation, theme customization, page layout design, content management, responsive design, and basic website configuration.
- Analyzed and followed client-provided instructions, design references, content, and business requirements to create websites according to specifications.
- Created and customized web pages using HTML5, CSS3, Bootstrap, and JavaScript within WordPress websites.
- Translated approved designs, layouts, and client requirements into clean, responsive, and user-friendly website interfaces.
- Added and organized website content, images, banners, sections, menus, and page layouts based on client requirements.
- Created a wide range of graphic and digital marketing assets, including banners, social media creatives, brochures, flyers, catalogs, advertisements, calendars and promotional materials.

UI / Web Designer

Cybernetics Software Pvt. Ltd **2018 – 2020**

- Translated UI/UX mockups, wireframes, and design concepts into clean, responsive, and maintainable HTML5, CSS3, Bootstrap, and JavaScript interfaces.
- Optimized front-end layouts and UI components to improve usability, navigation, responsiveness, and overall user experience across desktop, tablet, and mobile devices.

- Collaborated with backend developers and cross-functional teams to integrate front-end components with website functionality and ensure solutions met client requirements.
- Created and maintained brand identity and digital design assets, including logos, promotional campaigns, interactive web banners, social media creatives, and UI components.
- Worked closely with clients to understand design requirements, feedback, and revisions, delivering web and graphic design solutions aligned with business objectives.
- Created a wide range of graphic design and marketing materials, including brand identities, logos, marketing collateral, social media creatives, digital advertisements, banners, brochures, flyers, catalogs, and promotional materials, while maintaining consistent visual branding.
